

## Pre-Requisites IBM Cloud Services

Date	12 November 2022
Team ID	PNT2022TMID26394

The screenshot shows the IBM Cloud dashboard in a web browser. The browser's address bar displays 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Neha Rao's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with several recommended actions, each with a 'Getting started' button and a duration. The actions include: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'IBM Watson Internet of Things Platform' (Communicate with connected devices, monitor and analyze data in real time, connect your own IoT apps and add Watson AI to the solution), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud), and 'Incorporate DevOps into your process' (Shorten releases, improve reliability, and stay ahead of the competition with IBM DevOps). Below the 'For you' section, there are four panels: 'News' (with links to 'IBM Cloud Satellite New Pricing', 'IBM Cloud Data Shield Deprecation', 'IBM Watson Orchestrate Is Integrating with ThisWay Global', and 'SI SA Support in IBM Cloud Continuous Delivery'), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (which includes a world map). The bottom of the image shows the Windows taskbar with various application icons and the system clock indicating 1:32 PM on 11/18/2022.
